**COUNTERCLAIM**

Pursuant to Fed. R. Civ. P. 13, Defendant, Arbogast Buick-Pontiac-GMC Truck, Inc. ("Arbogast"), for its Counterclaim states as follows:

18. Arbogast is an Ohio corporation with its principal place of business in Ohio. Arbogast is in the business of new and used motor vehicle sales.

19. Plaintiff, NuCar Consulting, Inc. ("NuCar"), is a Delaware corporation with its principal place of business in Delaware. NuCar is in the business of planning, designing and implementing promotional campaigns for motor vehicle dealers.

20. NuCar solicited business from Arbogast. NuCar holds itself out as having the requisite skill and knowledge to plan, design and implement promotional campaigns for motor vehicle dealers such as Arbogast.

21. On March 30, 2004, NuCar and Arbogast signed an agreement providing that NuCar would produce a comprehensive feasibility study and prepare the layout and design for NuCar's promotional programs (the "Feasibility Agreement"). In exchange, Arbogast paid NuCar the sum of \$3,500. A copy of the Feasibility Agreement is attached as "Exhibit A."

22. On April 14, 2005, NuCar and Arbogast signed an Agreement (the "Program Agreement"). Under the terms of the Program Agreement, NuCar agreed to provide "the membership benefit program known as the Platinum Plus Preferred Customer Membership Program and the accumulated earnings program known as the Auto Awards program [(the "Programs")]." A copy of the Program Agreement is attached as "Exhibit B."

23. The Programs included a merchant-discount component (affiliated merchants offer discounts to members of the Programs) as well as a referral component (members of the Programs earn points for referring customers to Arbogast).

24. The Program Agreement also provides: "In the event that this Agreement, any provision thereto or performance of any provision hereof, is found to be illegal or unenforceable under the law as it is now or hereinafter in effect, either party may elect to terminate the Agreement in its entirety." Program Agreement at 4.

25. On October 13 or 24, 2005, NuCar and Arbogast executed an Addendum to Agreement. A copy of the Addendum is attached as "Exhibit C." Pursuant to the terms of the Addendum, Arbogast paid to NuCar the sum of \$5,541.66. Under the terms of the Addendum, "No Services shall be provided, nor will NuCar be compensated for the same, unless Client has

approved the materials, participating merchants, or other actions required to be submitted by NuCar to Client.” Addendum, ¶ 1(c).

26. Following the execution of the Addendum, Arbogast discovered that the major component of the Programs – members of the Programs earn points redeemable for products or service for referring business to Arbogast – was unlawful in the State of Ohio.

27. Pursuant to Ohio Rev. Code § 4517.20, payment of “bird dog fees” is prohibited. Specifically, under the terms of the statute, Arbogast may not “directly or indirectly, solicit the sale of a motor vehicle through a pecuniarily interested person other than a salesperson licensed in the employ of a licensed dealer,” *and* may not “pay any commission or compensation in any form to any person in connection with the sale of a motor vehicle unless the person is licensed as a salesperson in the employ of the dealer.”

28. Due to the illegality of NuCar’s Programs in Ohio, Arbogast has reasonably withheld approval of the Programs’ materials and of any other action necessary for NuCar to implement the Programs.

#### **FIRST CLAIM FOR RELIEF FOR COUNTERCLAIM**

29. Arbogast incorporates the allegations of ¶¶ 18 through 28 into this paragraph as if they were fully re-written herein.

30. The subject matter of the Feasibility Agreement, the Program Agreement, and the Addendum involves acts that are illegal or unlawful.

31. All or portions of the Feasibility Agreement, the Program Agreement, and the Addendum are void.

32. Pursuant to the terms of the Program Agreement, Arbogast is entitled to terminate the Agreement in its entirety.

33. Arbogast is entitled to rescind the Feasibility Agreement, the Program Agreement, and the Addendum and is entitled to recover all amounts paid to NuCar.

**SECOND CLAIM FOR RELIEF FOR COUNTERCLAIM**

34. Arbogast incorporates the allegations of ¶¶ 18 through 33 into this paragraph as if they were fully re-written herein.

35. NuCar knew or should have known that the subject matter of the Feasibility Agreement, the Program Agreement, and the Addendum was unlawful in the State of Ohio.

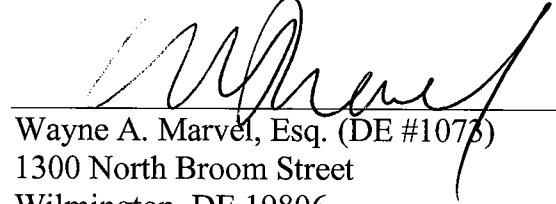

36. NuCar solicited Arbogast's business; negotiated the Feasibility Agreement, the Program Agreement, and the Addendum; and accepted and retained payment from Arbogast under circumstances that are unjust to Arbogast.

WHEREFORE, Defendant, Arbogast Buick-Pontiac-GMC Truck, Inc., demands judgment in its favor on its Counterclaim as follows:

- (1) On the First Claim for Relief, for judgment against NuCar Consulting, Inc., in the amount of \$9,041.66;
- (2) On the Second Claim for Relief, for judgment against NuCar Consulting, Inc., in the amount of \$9,041.66;
- (3) For its attorney fees and court costs; and

(4) For such other and further relief as this Court finds just and equitable.

Respectfully submitted,
